SLS BRICKELL MIAMI, FLORIDA

Set in downtown Miami, the new five star SLS Brickell features 124 hotel rooms and 450 condos, and 58,000 square feet of indoor and outdoor space. This includes: VIP beach access, spa, fitness center and restaurants showcasing two James-Beard award-winning chefs. Pottorff partnered with Environmental Air Products to install EFD-637-MD Miami-Dade approved louvers for this project.
